For Immediate Release

The Mesa County Coroner's Office is continuing its investigation into the death of Stephon Alderson, who was the 55 year old man who was found dead outside near Dike Road and relatively near the Pepsi-Cola Bottling Company on 6/10/2017. The death appears to be related to a natural disease process or possibly alcohol/drug related and toxicology studies are still in progress. Mr. Alderson appears to have been homeless and our office is having difficulty finding any of his family to notify them of his death. The media is encouraged to publicize this information and to suggest anyone with information on Mr. Alderson, especially information related to his relatives, to please contact our office by emailing us at coroner@mesacounty.us or call 970-256-6462. Thank you for any help with this matter.

Sincerely,

Dean Havlik, MD
Mesa County Coroner
