For Immediate Release

This is a follow up regarding the crash of a water tanker truck on westbound Interstate 70 on November 16, 2011. The crash occurred near mile marker 35.

The decedent and driver, Edward F. McCord, was found to have the presence of methamphetamine and marijuana in his blood stream. He also had the presence of an antidepressant. As a result, methamphetamine and marijuana use was considered as other significant conditions in his death.

The law enforcement agency overseeing this investigation is the Colorado State Patrol. Please contact them for any further details regarding this case.
